Mistry was appointed as an additional non-executive independent director and woman director by the Board on 10th May, 2017 and whose term expires at this annual general meeting.

The Company has received from Mrs. Mittal Mistry:

- (i) Consent in writing to act as Independent Director in Form DIR-2 pursuant to Rule 8 of the (Appointment & Qualification of Directors) Rules 2014
- (ii) Intimation in Form DIR- 8 in terms of Companies (Appointment & Qualification of Directors) Rules, 2014 to the effect that she is not disqualified under sub-section (2) of Section 164 of the Companies Act, 2013 and
- (iii) A declaration to the effect that she meets the criteria of independence as provided in sub-section (6) of Section 149 of the companies Act, 2013. The Resolution seeks the approval of members for the appointment of Mrs. Mittal Mistry as an Independent Director and Woman Director of the Company for a term of 5 consecutive years from 22nd Annual general meeting till 27th Annual general meeting pursuant to Section 149 and other applicable provisions of the Companies Act, 2013 and the Rules made hereunder. She is not liable to retire by rotation.

In the opinion of the Board of Directors, Mrs. Mittal Mistry proposed to be appointed, as an Independent Director, fulfill the conditions specified in the Companies Act, 2013 and the Rules made hereunder.

A copy of the draft letter for the appointment of Mrs. Mittal Mistry as an Independent Director setting out the terms and conditions is available for inspection without any fee by the members at the Company's Registered Office during normal business hours on working days up to the date of the Annual General Meeting.

None of the Directors, Key Managerial Personnel or their relatives, except Mrs. Mittal Mistry for whom the Resolution relates, are interested or concerned in the Resolution. The Board seeks approval of the members for the appointment of Mrs. Mittal Mistry as Independent Director of the Company for five consecutive years for a term from 22nd Annual General Meeting till 27th Annual general meeting pursuant to section 149 and other applicable provisions.

Hence, your Directors recommend the above resolution for approval of the Shareholders as an Ordinary Resolution.

ITEM NO. 5

The Company had received letters from the following persons falling under the category of Promoters/Promoter Group of the Company requesting to be reclassified from the category of “Promoters/Promoter Group” to “Public Shareholder category”:

Name of Person	No. of Equity Shares held	% of total Equity Share Capital
Mrs. Jayaben Kishorkumar Gandhi	6542000	6.59
Mrs. Santoshben Rajendrakumar Gandhi	2894000	2.91
Total	9436000	9.50

The aforesaid persons together are holding shareholding which constitutes 9.50% of the total paid up equity capital of the Company. The aforesaid persons do not exercise any control over the Company and is not engaged in the management of the Company. The aforesaid entities neither have representation on the Board of Directors of the Company nor hold any Key Management Personnel position in the Company.

The aforesaid persons have requested to the Company to reclassify them from being a “Promoter Shareholder” to “Public Shareholder” of the Company.

Based on the letters received from above promoters, the matter was discussed by the Board of Directors of the Company at their meeting held on 24th August, 2017 and Board decided to get the above persons re-classified from the category of “promoter” to “public” with the approval of Shareholders of the Company and Bombay Stock Exchange (BSE).

Regulation 31A(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as “Listing Regulations”) is the main Regulation which deals with reclassification of promoter shareholding into public shareholding. It provides that the stock exchanges shall allow reclassification of the status of the promoter shareholders only if the following main conditions are satisfied:

- (i) upon receipt of a request from the concerned shareholders/promoters
- (ii) all relevant evidence
- (iii) on BSE being satisfied with the compliance of conditions mentioned in Regulation 31A

A re-classification may also be permitted by the stock exchanges under the main Listing Regulation No. 31A(2) itself read with the additional conditions specified under Regulation 31A (7) of Listing Regulation. The sum totals of conditions under the two sub-regulations are as follows:

- (i) A request for reclassification is to be made by the concerned listed entity or by the concerned promoters to stock exchange;
- (ii) All relevant evidence to be provided;
- (iii) Reclassified promoter shall not directly or indirectly exercise control over the affairs of entity;

- (iii) Increase in the level of public shareholding pursuant to re-classification of promoters shall not be considered towards achieving compliance with minimum public shareholding requirement under Rule 19A of the Securities Contracts (Regulation) Rules, 1957 and
- (iv) The event of reclassification shall be disclosed to the stock exchanges as a material event in accordance with the provisions of Listing Regulations.

All the conditions specified under Regulations 31A (2) and 31A (7) of Listing Regulation have been duly complied with by the Company.

None of the Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested, financially or otherwise, in the special resolution as set out at Item No. 5 of the Notice except to the extent of their shareholding, if any, in the Company.

The Board therefore recommends the Resolution no. 5 for approval of the members as Special Resolution.

Management Discussion and Analysis

The management of Chartered Logistics Limited presents the analysis of performance of the company for the year 2016-17 and its outlook for the future. The outlook is based on assessment of current business environment and on expectations of future events. The company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

Overview of the Economy Global

According to International Monetary Fund World Economic Outlook, Global economic activity is picking up with a long-awaited cyclical recovery in investment, manufacturing, and trade. With buoyant financial markets and a long-awaited cyclical recovery in manufacturing and trade under way, world growth is projected to rise from 3.1 percent in 2016 to 3.5 percent in 2017 and 3.6 percent in 2018. But binding structural impediments continue to hold back a stronger recovery, and the balance of risks remains tilted to the downside, especially over the medium term. With persistent structural problems-such as low productivity growth and high income inequality-pressures for inward-looking policies are increasing in advanced economies. These threaten global economic integration and the cooperative global economic order that has served the world economy, especially emerging market and developing economies, well. Against this backdrop, economic policies have an important role to play in staving off downside risks and securing the recovery. On the domestic front, policies should aim to support demand and repair balance sheets where necessary and feasible; boost productivity, labor supply, and investment through structural reforms and supply-friendly fiscal measures; upgrade the public infrastructure; and support those displaced by structural transformations such as technological change and globalization.

Indian Economy

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF). The Government of India has forecasted that the Indian economy will grow by 7.1 per cent in FY 2016-17. As per the Economic Survey 2016-17, the Indian economy should grow between 6.75 and 7.5 per cent in FY 2017-18. The improvement in India's economic fundamentals has accelerated in the year 2015 with the combined impact of strong government reforms, Reserve Bank of India's (RBI) inflation focus supported by benign global commodity prices.

India's consumer confidence index stood at 136 in the fourth quarter of 2016, topping the global list of countries on the same parameter, as a result of strong consumer sentiment, according to market research agency, Nielsen.

Moody's has affirmed the Government of India's Baa3 rating with a positive outlook stating that the reforms by the government will enable the country perform better compared to its peers over the medium term.

Government Initiatives

The Government of India announced demonetisation of high denomination bank notes of Rs 1000 and Rs 500, with effect on November 8, 2016, in order to eliminate black money and the growing menace of fake Indian currency notes, thereby creating opportunities for improvement in economic growth.

In the Union Budget 2017-18, the Finance Minister, Mr Arun Jaitley, verified that the major push of the budget proposals is on growth stimulation, providing relief to the middle class, providing affordable housing, curbing black money, digitalisation of the economy, enhancing transparency in political funding and simplifying the tax administration in the country.

India's unemployment rate has declined to 4.8 per cent in February 2017 compared to 9.5 per cent in August 2016, as a result of the Government's increased focus towards rural jobs and the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) scheme.

Numerous foreign companies are setting up their facilities in India on account of various government initiatives like Make in India and Digital India. Mr. Narendra Modi, Prime Minister of India, has launched the Make in India initiative with an aim to boost the manufacturing sector of Indian economy, to increase the purchasing power of an average Indian consumer, which would further boost demand, and hence spur development, in addition to benefiting investors. The Government of India, under the Make in India initiative, is trying to give boost to the contribution made by the manufacturing sector and aims to take it up to 25 per cent of the GDP from the current 17 per cent. Besides, the Government has also come up with Digital India initiative, which focuses on three core components: creation of digital infrastructure, delivering services digitally and to increase the digital literacy.

Indian Logistics Industry: Current Scenario and Future Outlook

Logistics is regarded as the backbone of the economy as it ensures efficient and cost-effective flow of goods and other commercial sectors depend on it. Logistics industry in India is evolving rapidly. It is the interplay of infrastructure, technology and new types of service providers, which defines whether the logistics industry will be able to help its customers reduce their costs and provide effective services. Despite weak response, the logistics industry continues to witness growth owing to the progress in retail, e-commerce and manufacturing sectors. The Global Logistics sector was expected to grow 10 to 15 per cent in 2013-14. Logistics industry is expected to reach over \$ 2 billion by 2019. Rise of e-commerce logistics and increased domestic consumption will pave the way for the industry to grow further in future. With the promise of steady growth and improvement, the service oriented logistics industry is ready to expand beyond the horizons in the latter half of this decade.

Recent Scenario

The recent Indian logistics sector comprises inbound and outbound segments of the manufacturing and services supply chains. Of late, the logistics infrastructure has gained the much needed boost from business houses as well as policy makers. Managing the infrastructure to effectively compete with other industries has not been given its due emphasis. Inadequate logistics infrastructure can create bottlenecks in the growth of an economy. The logistics management regimen has the capability to overcome the disadvantages while providing cutting-edge competitiveness in the long run. There exist several challenges and opportunities for the sector in the Indian economy.

Challenges Faced By The Recent Logistic Industry In India

The biggest challenge faced by the industry today is poor integration of transport networks, information technology and warehouse & distribution facilities. Regulations existing at different tiers are imposed by national, regional and local authorities. However, the regulations differ from city to city, hindering the creation of national networks. Trained manpower is essential for the third party logistics sector and the manufacturing and retailing sectors. It is lacking at the IT, driving and warehouse as well as at the higher strategic level. The sector is in a disorganized state in India. The general perception of logistics being a manpower-driven industry and lack of adequate training institutions have created crisis of skilled management and client service personnel. Poor facilities and management are reasons behind high levels of loss, damage of stock, mainly in the perishable sector. The problem arises mainly because of the absence of specialist equipment, like proper refrigerators. Lack of quality training is another reason. Though practitio-

ners and academicians are slowly becoming aware of the importance of logistics and supply chain, however, the field is still not adequately explored as far as research is concerned. It is essential to prioritize research and development so that the weaknesses in the industry can be taken care of and improved.

Solutions To Some Of The Challenges

Infrastructure is the backbone of every country's growth and prosperity. The same is true for the logistics industry. Emphasis should be laid on building world-class road networks, integrated rail corridors, modern cargo facilities at airports. Logistics parks should be set up and accorded a status equivalent to Special Economic Zones. It is necessary to realize that the logistics industry can best be benefitted if companies establish training institutions to improve the service quality of the sector. Good storage and warehouse facilities are important for the growth of the industry. With increase in the transportation of perishable products, the logistics agencies need to give a lot of importance to enhancing the warehouse facilities. Emphasis on research and development is potent because it encourages the use of indigenous technology, which can make the industry cost-effective and can also bring about improvement in services.

Future Prospects

The logistics firms are moving from a traditional setup to the integration of IT and technology to their operations to reduce the costs incurred as well as to meet the service demands. The growth of the Indian logistics sector depends upon its soft infrastructure like education, training and policy framework as much as the hard infrastructure.

To support India's fast-paced economy growth of logistics industry is very essential. It is estimated that the Indian logistics industry will continue to show robust growth of 10-15% annually, leading the pace of growth of the economy at large.

The global economic outlook, indeed that of India is expected to significantly improve as India Inc begins to tackle the economic downturn. With a new government many policies are expected to be implemented which will give a fresh impetus to India's growth engine particularly in the corporate and SME sector which in turn will expand demand for the logistics sector.

With the implementation of GST, logistics companies, which are currently forced to set up many small warehouses across multiple cities can set up just a few, big warehouses region wise and can follow the hub-and-spoke model for freight movement from the warehouses to the different manufacturing plants, wholesale outlets, retail outlets and the various POS. This growth is backed by the boom in the e-commerce sector and expansionary policies of the FMCG firms.

This has increased the service geography of the logistics firms but they also have to meet the demands of quick delivery and tight service level agreements. The industry has moved from being just a service provider to the position which provides end to end supply chain solutions to their customers. Thus, all this has paved the way for further growth of Logistics and Warehousing industry in the coming years.

Emerging opportunities and Trends

Good & Service Tax (GST) The Government of India has been taking several steps to rationalise the tax systems in the country. Among the major initiatives of the past being the introduction of Value Added Tax (VAT) System. Subsequent to the success of the VAT regime, the Government embarked on efforts for implementation of a much more refined and globally preferred tax system known as Goods and Services Tax (GST) in 2007. GST is defined as a 'nationwide uniform taxation system' which replaces multiple taxations by

central and state governments in a country. The concept is that a specific product or service would have the same level of taxation across the entire country irrespective of being manufactured and sold in different sub-national territories (states). Across the world, GST is the most popular trade tax regime practiced by over 150 countries.

Benefits to Logistics Sector due to GST

- Centralization of inventory into larger regional warehouses
- Move from Local to regional distribution (service levels to areas outside major distribution centers will have to improve)
- Shift to larger full truckload movements servicing inventory transfers to the larger warehouses
- Improved travel speeds due to reduction in regulatory delays

Review of CLL's Preparedness against emerging opportunities and future outlook

GST: Overall, simplification of the current indirect tax structure will encourage efficient supply chain management rather than a tax-based network decisions.

For the last two decades, Chartered Group is scaling new heights in the logistics industry. We have created an impressive track record of value addition to our customers. Our basic principles behind growth are our values i.e. Honesty & Integrity, Commitment, Efficiency, Safety. With our ardent passion and focused vision which we have outlined as "TO BE A PREMIUM LOGISTICS COMPANY WITH FOCUS ON BETTER THAN THE BEST" and our mission is to achieve it. It is unflinching goal of Chartered to become a force to reckon with and the roadmap has been designed to translate out dreams into reality.

With implementation of the historic GST Bill, India will be one union and there will be fearless, hassle free flow of goods from one state from another. This new initiative will be a big boost to the logistics industry and will improve bottom lines of the respective companies. It will also open up huge scope of warehousing

and implementation of reverse freight regime.

Risks in Logistics Sector

The logistics sector is marred by many inherent risks which are specific to its functioning, like fragmented ownership of vehicles, poor infrastructure of roads, bureaucratic delays at the borders, poor vehicles maintenance, en-route levies etc. These may be categorized as operational risks. It is also exposed to market risks and financial risks to which all the operations are exposed. These includes risks like fluctuations in the economy and sudden changes in the Government policies and laws at macro level and risks like increase in the prices of component parts and fuel, increase in the hiring charges of vehicle etc. at macro level. Besides these, the Road Transport Sector is also saddled by natural calamities and events like Bandhs and riots in various parts of the Countries.

India's spend on logistics activities is equal to 13% of its GDP while it is 10% in Europe and 11% in Japan, it is also higher than most of the developed nations. The main reason for this is the relatively higher level of inefficiencies in the system, with lower average trucking speeds, higher turnaround time at ports and high cost of administrative delays. The required pace of efficiency and quality improvement will demand rapid development of capabilities of logistics service providers. This industry provides lesser pay and progression incentives compare to other industries. The logistics being a service oriented sector, skill development will emerge as a main capability.

Risk Mitigation Strategy of the Company

1. Your Company offers services in all aspects of logistics and supply chain management to a diverse range of industries. Your company keeps a close watch on the economic environment and timely actions are taken accordingly. These measures help us to mitigate the industry risks. Independent Auditor's Report

To the Members of Chartered Logistics Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Chartered Logistics Limited**, which comprise the balance sheet as at 31st March 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors as on 31st March 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2017 from being appointed as a director in terms of Section 164 (2) of the Act; and
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor’s Report in accordance with

Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;

- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts and
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. The Company has provided requisite disclosures in the standalone financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated the 8th November, 2016 of the Ministry of Finance, during the period from 8th November 2016 to 30th December 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management. Also refer Note – 24 (12) to the standalone financial statements

“Annexure B” to the Independent Auditor’s Report
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of
Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Chartered Logistics Limited** (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the

maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

23. SIGNIFICANT ACCOUNTING POLICIES AND OTHER NOTES TO ACCOUNTS

A) BASIS OF PREPARATION OF FINANCIAL STATEMENTS

- a) These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.
- b) All Income and Expenditure having material bearing on the financial statements are recognized on accrual basis.
- c) The Company accounts for freight income as soon as bills are raised and freight expenses when the hired vehicle start towards its destination. Having regard to the size of the Company and nature of its business, in the opinion of Management the foregoing is a reasonable basis of applying the accrual basis of accounting.

B) Use of Estimates:

The presentation of the financial statements in conformity with the Generally Accepted Accounting policies requires, the management to make estimates and assumptions that affect the reported amount of Assets and Liabilities, revenues and Expenses and disclosure of contingent liabilities. Such estimation and assumptions are based on management's evaluation of relevant facts and circumstances as on date of financial statements. Difference between the actual results and estimates are recognized in the period in which the result are known / materialized.

C) Revenue Recognition:

- Revenue/ Income and Cost/ Expenditure are generally accounted on accrual basis as they are earned/ incurred, except those with significant uncertainties.
- Dividend income from investment is recognized as and when received.
- Other incomes are accounted for on accrual basis except when the recovery is uncertain, it is accounted for on receipt basis.
- Claims made against the company are evaluated as to type thereof, period for which they are outstanding and appropriate provision made. Claims are stated net of recoveries from insurance companies and others.
- Administrative and other expenses are stated net of recoveries wherever is applicable.

D) Fixed assets

- (i) The gross block of fixed assets is shown at the cost of acquisition, which includes Taxes, Duties and other identifiable direct expenses.
- (ii) Items of fixed assets are depreciated in a manner that amortizes the cost (or

other amount substituted for cost) of the assets after commissioning, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 except for the truck assets. Land is not depreciated.

- (iii) The estimated useful life for trucks assets has been revised to fifteen years from ten years from the financial year 2016-17 by the management.

E) Investments

Investments are accounted at the cost plus brokerage and stamp charges. Long term Investments are valued at cost less provision for diminution other than temporary, in value, if any. Profit or losses on investment are calculated on FIFO Method and it is accounted as and when realized.

F) Inventories

Inventories at year-end are valued at the Lower of the Cost Price or Net Realisable Value.

G) Retirement Benefits

- a) Short term employee benefits are recognized as expenses at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.

b) **Defined Contribution Plan:**

Monthly contribution to the provident fund which is defined contribution schemes are charged to profit & loss account and deposited with the provident fund authorities on monthly basis.

Defined benefit Plans:

Gratuity to employees is accounted for or provided for present or future liabilities as per the provision of Accounting Standard 15 issued by Institute of Chartered Accountants of India in respect of accounting for retirement benefits on actuarial basis.

- c) Termination benefits are charged to Profit & loss account in the year of payment.

H) Taxes on Income

- a. Current tax is determined on the basis of amount of tax payable on taxable income for the year.
- b. In accordance with Accounting Standard; -22 "Accounting For Taxes on Income" issued by The Institute of Chartered Accountants of India, amount of the deferred tax for timing difference between the book and tax profits for the year is accounted for using the tax rate and laws that have been enacted or substantively enacted as of the balance sheet date.

I) Expenses

Material known liabilities are provided for on the basis of available information / estimates with the Management.

Whenever external evidences for expenses are not available, Management has taken care of proper authorization of such expenses.

J) Transaction in Foreign Currency

Foreign currency transactions are recorded at the exchange rate prevailing on the date of such transactions.

Foreign currency monetary assets and liabilities are reported using the closing rate. Gains and losses arising on account of difference in foreign exchange rate on settlement / transaction of monetary assets and liabilities on the closing date are recognized in the profit and loss account.

K) Borrowing Cost

Borrowing cost are recognized in the period to which they relate, regardless of how the funds have been utilized, except where it relates to the financing of new assets requiring a substantial period of time for their intended future use. Interest on borrowings if any is capitalized up to the date when the asset is ready for its intended use. The amount of interest capitalized for the period is determined by applying the interest rate applicable to appropriate borrowings.

L) Earning per Share

Basic earning per share is computed and disclosed using the weighted average number of common shares outstanding during the year. Dilutive earning per share is computed and disclosed using the weighted average number of common and dilutive common equivalent shares outstanding during the year, except when the results would be anti-dilutive.

M) Impairments of Assets

At each Balance sheet date, the company reviews the carrying amount of fixed assets to determine whether there is an indication that those assets have suffered impairment loss. If any such indication exists, the recoverable amount of assets is estimated in order to determine the extent of impairment of loss. The recoverable amount is higher of the net selling price and value in use, determined by discounting the estimated future cash flows expected from the continuing use of the assets to their present value.

N) Provisions and Contingent Liabilities

Provisions involving substantial degrees of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be an outflow of resources. Provisions (excluding long term benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes to accounts. Contingent assets are neither recognized nor disclosed in the financial statements.

O) Cash Flow Statement

The cash flow statement is prepared by the "Indirect Method" set out in Accounting Standard 3 on Cash Flow Statements and presents the cash flow by operating, investing and financing activities of the company.

Cash and cash equivalent presented in the cash flow statement consist of cash on hand, Bank balances and demand deposits with banks
